Kissimmee, Florida 34759

Dear Administrator:

New Dimensions High School has been awarded accreditation by the North Central Association Commission on Accreditation and School Improvement (NCA CASI), the Northwest Accreditation Commission (NWAC) and the Southern Association of Colleges and Schools Commission on Accreditation and School Improvement (SACS CASI). The three listed regional agencies provide your institution with a highly regarded accreditation that is recognized throughout the world. Congratulations on this significant recognition.

The accreditation action was ratified by the Accreditation Commission at its meeting on June 18, 2018. A certificate that indicates the term of your institution's accreditation is enclosed. Throughout this term of accreditation, New Dimensions High School must continue to engage in the responsibilities required of all institutions to maintain accredited status as outlined in the *AdvancED Accreditation Policies and Procedures* available on our website at www.advanc-ed.org/services/policies-and-procedures.

As an accredited institution, you are part of the AdvancED global network of over 34,000 schools and systems in more than 70 countries that are committed to continuous improvement through accreditation. Our state, national, and global offices offer a wide range of products and services dedicated to institutional improvement and accreditation: state-of-the-art technology solutions including learning environment observations, surveys, and diagnostic applications; targeted improvement services; workshops and conferences. Please check the Improvement Services and Professional Learning sections at www.advanc-ed.org for a full list of services and upcoming events.

Finally, promoting your accreditation is one of the easiest things that you can do to raise awareness of the importance of continuous improvement of education in your community. To help you celebrate your accreditation, we are providing you with a press release that you may share with your local media. You can access the press release by visiting www.advanc-ed.org/communicationskit. In the kit, you also will find brochures, accreditation seals, and other promotional items to display your pride in your institution's accreditation.

If you have questions regarding the enclosed certificate, e-mail us at accreditation-certificates@advanc-ed.org. Our AdvancED Accreditation Office is available to answer any questions you may have as well and can be reached at 888.41 EDNOW (1.888.413.3669) or 678.392.2285. We look forward to serving you now and in the future.

Sincerely,

Annette Bohling, J.D.
